Join us in the **Dignity Not Detention Campaign** to repeal mandatory detention.

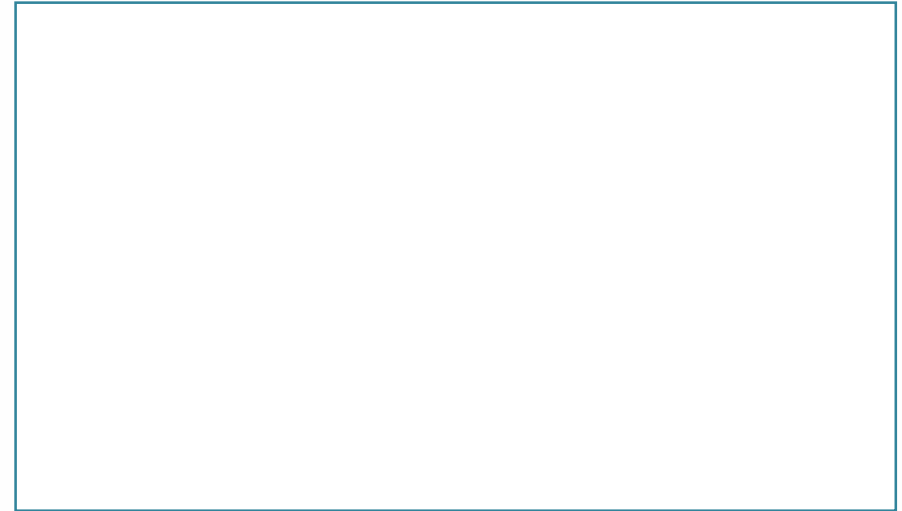

Demands

- We demand that Congress repeal all laws mandating the detention of non-citizens.
- We demand that the Obama Administration put an end to all policies and programs that use the criminal justice system to target people for detention and deportation.
- We demand that the Obama Administration work to bring the U.S. into compliance with its obligations under international human rights law, which prohibits arbitrary detention.

By endorsing the campaign, your organization acknowledges its support for the Dignity not Detention Campaign Statement and demands. Endorsing organizations will be publicly acknowledged as part of the campaign.

To add your name to the endorsement list, please send an email with your organization and contact information to acarrion@detentionwatchnetwork.org.
